EYES OF WORLD TURN TO WEIMAR

GERMAN PEACE DELEGATES AND ASSEMBLY MEMBERS AT ODDS OVER PROPER COURSE

NATIONAL ASSEMBLY FOR SIGNING WHILE PEACE DELEGATES OPPOSE MUCH MODIFIED CONDITIONS

U. S. FORCES READY TO MARCH IN

(By United Press)

PARIS, June 19—Every member of the German peace delegation including the experts have refused to participate in the signing of the treaty the Wimer correspondent of the Temps wired today. The delegates, he said, had submitted a report to the German government declaring that the terms are not possible of execution. Acceptance would place the nation in a position quite as bad as if they rejected the treaty.

(By ED. L. KEEN)

(United Press Staff Correspondent)

PARIS, June 19—The eyes of the world are fixed on the little town of Weimar today where one of the most momentous decisions in history is in the making.

With the Allies' army and the British navy ready to move simultaneously should Germany refuse to sign the peace treaty the German cabinet and National Assembly were gathered in Weimar discussing whether it should be peace or war.

The decision will be rendered by 7 p. m. Monday "the zero hour" fixed by the Allies when they submitted their reply to the German counter proposals in Versailles.

The British navy according to unofficial advices has joined Foch's forces in readiness for a resumption of hostilities if that is the German decision.

Foch was understood to be at his headquarters in Luxembourg from which central point he could direct the forward sweep of his army into Germany along the entire front from Holland to Switzerland. His force of over a million men on this front in the event of war will be augmented by the Poles and Czechoslovaks who will advance on Germany from the east and south.

Dispatches from Weimar and Berlin indicate a division among the Germans over acceptance of the new terms. The peace delegates are said to be unanimously against the treaty. The National Assembly believes it should be signed. The press also advises signing.

Delegates Resolve to Reject Says Paper

BASLE, June 19—The Weimar correspondent of the Frankfurt Zeitung declared the German peace delegates had unanimously resolved to reject the revised peace treaty and had submitted a report to this effect to the German cabinet.

A dispatch direct from Weimar said that Chancellor Schiedemann conferred with the peace committee of the National Assembly yesterday and expressed regret that the Allies had rejected the proposal for a neutral port of arbitration. He said: "They are determined to overwhelm Germany with the consequences of the Allied crimes. The Assembly and government faces the most difficult task but we must not forget that the nation is on the eve of very hard times."

Ebert May Shirk Responsibility

BERLIN, June 19—A local newspaper declared today that a plan is being completed by Premier Ebert and his cabinet to resign and the National Assembly to dissolve "leaving Germany to absolute anarchy."

Yanks Ready to Invade Germany

COBLENZ, June 18, Delayed—Final preparations were being completed today for the American army to move further into Germany Tuesday morning if so ordered by the French. Some German units are scattered throughout this region immediately in front of the Americans but it is believed they are too weak to offer real resistance. Steps are also being taken against possible guerilla warfare by civilians.

Destroyers Watch German Ports

COPENHAGEN, June 19—Twelve British cruisers and a number of destroyers arrived in the Baltic today and others are expected shortly in preparation for the establishment of a blockade of the German ports if the peace terms are refused. Several of the destroyers started upon a secret mission this afternoon. The British dirigible R 34 was over the Baltic today moving toward Hassetic.

SENATE STANDS PAT ON DRY LAW WILSON HOPE OF LIQUOR DEALERS

The Senate yesterday voted against repealing the wartime prohibition act and as a result the nation will become "bone dry" at midnight on June 30.

The vote of the Senate against the repeal of the dry measure was 55 to 11, and was taken when Senator Phelan tried to attach the repealer to the agricultural appropriation bill as a rider.

The vote was taken on a motion by Senator Gronna to lay on the table a motion by Senator Phelan to suspend the rules of the Senate so he could offer the repealer as an amendment to the agricultural bill.

Still Have Hope

Preparations for the sale after July 1 of not only light wines and beer but of all liquors are being made by several Philadelphia hotels and cafes, according to statements given out yesterday afternoon. Reliance is placed upon President Wilson and the labor element to bring about some eleventh hour change in the situation which threatens their business. Stocks of liquor are being maintained at their former level and all things, it is said, indicate that July 1 will be just like any other day in the year.

PENNSYLVANIA SENATE PASSES SUFFRAGE BILL

(By United Press)

HARRISBURG, June 19—The State of Pennsylvania today passed finally the federal suffrage amendment by a vote of 29 to 9.

HOUSE VOTES TO RETURN WIRES

(By United Press)

WASHINGTON, June 19—The House today passed unanimously the bill returning the telephone and telegraph lines to their owners.

A. F. OF L. FAVORS RESTRICTED IMMIGRATION

By A. E. JOHNSON

ATLANTIC CITY, N. J., June 19—The American Federation of Labor convention went on record today as favoring restricted immigration from Europe for a period of three years.

Big Troop Shipment Arrives

(By United Press)

NEW YORK, June 19—Six transports arrived today with more than 20,000 officers and men. The transports are the South Bend, New Amsterdam, Kaiserin, Augusta, Victoria, Prince Frederick William, Great Northern and the Tanamas.

DOUBLE WEDDING AT SINGTON

Mr. Willard Shimel and Miss Agnes Knepp and Mr. Martin Flegel and Miss Junie Lamadue were the principals in a double wedding solemnized at high noon on June 18th, by the pastor of the Woodland United Brethren church, at the home of Mr. and Mrs. Williams, of Sington, Mrs. Williams is a sister of the bride Miss Lamadue.

Only a few of the immediate friends were present. A bounteous dinner was served, in which the appointments were all correct.

The ring ceremony was used and was very impressive as together these worthy young people pledged their troth. They have not yet stated their future plans.

CLEARFIELD LADS OFF FOR COLUMBUS

Dick Leopold, Duane Neff, Blain James, Lawrence Howe and George Fletcher left yesterday for Columbus, Ohio, to join the Cadet Corps which will be a feature of the Methodist Centenary celebration to be held during the next 30 days at Columbus. The corps will be comprised of 10,000 Methodist boys from all parts of the United States and will be regulated, trained and disciplined by officers of the United States Army.

BIG FIVE AT WORK ON AUSTRIAN PROBLEMS

PARIS, June 19—The Big Five were scheduled to take up the question of Austrian finance and reparation today. The council also discussed the situation in Corinthia where the Jugo-slavs are in close proximity with the Italian army. Possibilities of a clash between Italians and the Jugo-slavs was feared.

GEN WOOD ORATOR AT U. OF P.

Philadelphia, June 19—Major General Leonard Wood today delivered the annual oration at the 106th commencement exercises at the University of Pennsylvania. The conferring of honorary degrees on 28 undergraduates was the feature of the exercises.

SOME FEE

Pittsburgh, June 19—Fees allowed for the sale of 7300 acres of the coal land of J. V. Thompson for \$3,633,732 were approved with the exception of a \$10,000 item in an opinion handed down today by Judge Thompson in United States District Court here. Referee J. E. Carroll received the customary 1 per cent or \$36,337.32.

GROUP MEETINGS OF MINING MEN BEGIN MONDAY

The six mining groups of the Central Pennsylvania Coal Producers' association will hold separate meetings starting next Monday in Altoona, at the Caum cafe, Lincoln room. Able speakers have been secured to take part. Discussions of the problems facing the mining interests will be a feature of the meetings.

Meetings are to follow in Johnstown, DuBois, Clearfield, Huntingdon and Philipsburg. The schedule and place of meeting follows:

Barnesboro group at Altoona, Monday June 23, at 1 p. m. in Caum's, Lincoln room.

South Fork and Conemaugh groups at Johnstown Tuesday, June 24, at 2 p. m. in the Fort Stanwix hotel.

Punkstutawney group at DuBois, Wednesday, June 25 at 1:30 p. m. in the Logan House.

Clearfield group at Clearfield Thursday, June 26, at 1:30 p. m. in the Hotel Dimeling.

Broad Top group at Huntingdon, Friday, June 27, at 1 p. m. in the Leister House.

Tyrone group at Philipsburg Monday, June 30, at 12 o'clock in the Chamber of Commerce room.

CLEARFIELD "Y" WINS MILE RELAY RACE

The Clearfield Y. M. C. A. Relay Team won the cup, medals and 1st place at DuBois. The Physical Director took five of the best "Y" runners in his car to DuBois to run a mile relay race against the following associations: DuBois, Ridgway, Punkstutawney and Brookville. They won first place, each man running a quarter of a mile. They made it in 4 minutes and 15 seconds. They won a big cup and four valuable scarf pins. The cup and pins are on display in Kennard & Snyder's Jewelry store window.

The following boys ran in the races: J. Smith, H. Mohney, H. Schull and W. Kittleberger, with Ted Stewart along as a sub.

The boys and girls who are in the flag drill for the 4th of July will practice tonight on the Y. M. C. A. playground.

The Association has erected a tent for the boys and one for the girls to use for dressing at the Old swimming hole.

The local moving pictures will be shown next week in the Driggs theatre.

ACTIVE AT WESLEYAN UNIVERSITY

Clearfield was represented at the closing exercises of Wesleyan University yesterday by Miss Caroline Hartman, daughter of Rev. W. V. Hartman and A. B. Mackie, son of Mrs. Wm. Clark.

Miss Hartman was very active throughout her college course having been president of the Ohio Literary Society, a member of the Choral Club and soloist at the class exercises.

Mr. Mackie is one of Wesleyan's star foot ball players and is mentioned for scholarship honors. The publicity reporter describes him as one of the best known and popular men in the student body thru his services as president of various college organizations and adds that he has accepted a scholarship for graduate work in history.

HOSPITAL APPROPRIATION INCREASED

The appropriation to the Clearfield hospital for the coming two years was increased to \$23,000 in the bill passed finally by the Senate at Harrisburg yesterday.

NEW DRAYING FIRM

The newly formed draying firm of Holmes & Melleny have already installed a handsome new G. M. C. truck which they purchased through the Orant & Buchanan agency.

BIGLER TOWNSHIP AND GOOD ROAD PROBLEM

A REPLY TO INCORRECT STATEMENT MADE IN NEWSPAPER PUBLISHED IN METROPOLIS OF TOWNSHIP

PROGRESS BACKED THEIR CLAIM

It is not often we are compelled to call the attention of our brother editors to misstatements of facts in their editorial references to what they feel their individual communities are justly entitled to but when we find a fellow shooting so wide of the mark as our friend Editor Witmer of the Madera Times, does in the last issue of his paper, we are naturally forced to forego our usual modesty and remark that the editorial gentleman simply does not know what he is talking about. Then in justification of "the remark" we are going to present some of the facts which Brother Witmer does not have at hand or if he did have them at hand or in mind, either mislaid or forgot them.

In order that our readers, who may not have seen The Times article, may get a line on the controversy we reproduce herewith extracts from same which certainly fail to square with the facts in the road situation as it applies to Bigler township and Bigler township taxpayers.

In his article headed "Further Regarding Improvement of Roads" The Times says:

"The Clearfield Progress says: 'The last piece of state aid paving done in Clearfield borough in which the county of Clearfield participated by paying one-fourth of the cost, was away back in 1909. The Madera Times is having the State and County do some paving for us now, but we are unable to find just where the same is located.'

The Progress is such a splendid paper and such a credit to Clearfield town that it makes it hard for a paper like The Times, buried in the Southern end of Clearfield County without any roads to get out on, to keep up with the use of the pronoun 'us' The Progress acknowledges that it is strictly partisan and interested only in Clearfield borough on this improved road question.

Now we know The Progress is fair-minded and will not blame The Times for being interested in Bigler township and the Southern end of Clearfield county.

We may have been in error in stating that the work being done in the neighborhood of Clearfield was within the borough limits as we are unable to get around enough to know where Clearfield borough ends and Lawrence township begins but we do know that Clearfield borough made application for state aid work and that these applications on file with the State Highway department are No. 720, No. 721, No. 722 and No. 724 and that the Lawrence township application is No. 720, so that if either or both of these applications have been acted upon and road is being built in the neighborhood of Clearfield, then Application No. 35 for Bigler township would be next in line.

We are aware that of the amount of improved road built in Clearfield county, about 90 per cent of it is around Clearfield and DuBois, and therefore, first because, back in 1917, we duly made and renewed our application account to the system of the State Highway department, and second, because we, in this end of the county, are entitled to additional improvement before any other road is built.

We in the Southern end of the county are paying our taxes and contributing our support at the polls, but what seems to be the only thing we are going for, and we are going to see whether we can't have the satisfaction, or at least have the satisfaction of registering a protest."

Now for the facts as to "The Progress" acknowledges that it is strictly partisan and interested only in Clearfield borough on this improved road question. It is a matter of record and common knowledge, and even known to the editor of The Times, that on account of the policy of the Highway department there are but \$36,000 in state aid funds available for road building in Clearfield county each year, and that following a recommendation of the Clearfield County Good Roads Association the County Commissioners have agreed to construct at the expense of the County and township, if any township money be available some three miles of road on the route leading from Osceola to Madera, two miles of this leading from Osceola to Houtzdale and one mile from Madera to outzdale. The State's \$36,000 will also be applied on this improvement.

The motion requesting the Commissioners to take such action was made at the meeting of the Good Roads Association on February 7th, 1918, as the following taken from the report of that meeting, published in The Progress February 8th, will show:

"Messrs R. H. Thompson, of Osceola; A. H. Rumberger, of Houtzdale, and Charles G. Gill, of Madera, presented the claims of the eastern side of the county for an improved road from Osceola to Madera, and stated that the local associations in that section contemplated sending a delegation to Harrisburg on Tuesday next to advocate the project. The necessity for the road was explained in detail by Mr. Rumberger and on motion of Mr. Gommely (the writer) of Clearfield the Executive Committee unanimously approved of the recommendation and directed that an application for same be properly made out and presented to the County Commissioners for their approval, and that the President of the County Association or some member he may designate, together with one of the County Commissioners, be sent to Harrisburg on Tuesday with the local delegates to urge on behalf of the Association that the application be granted and that engineers be sent at once to survey and map the route for same, with a view to having a contract let and work of improvement begun just as soon as it is possible to do so. The application was prepared and signed by the County Commissioners and the good work is already well underway."

That should serve to show how partisan we are and how selfishly interested in Clearfield alone.

Regarding Application 723 and 724 referred to, we will but say that while these applications were made to the State the County Commissioners refused to join in obligating the county for any share of the cost because of lack of funds and further that Clearfield borough refused to accept state aid under these applications because the bids were too high and the borough has money available for the work and will make the improvement itself alone the coming summer.

Application No. 735 for Bigler township, filed in 1917, has been nullified by the change in policy of the present State Highway Department, which is building the through or trunk line routes itself and will not join with the county and township on any other road, except as to the county's share of the \$1,500,000 appropriated for the State-aid work by the Legislature, which amounts to approximately \$35,000 per year for Clearfield county. The Highway department will not accept in any way the construction of any roads but those on direct routes between the county seats, even where this \$36,000 per year applies.

The next paragraph, reciting that "90 per cent of the State road in the county is around Clearfield and DuBois," is the biggest joke of all, and again most clearly demonstrates that Bro. Witmer knows absolutely nothing at all about the road situation in the county and that his weekly "wails" emanate entirely from his entire lack of knowledge regarding same.

Since the present road law went into effect in 1905 there has been 22 1-2 miles of road improved in

How are you betting? Willard or Dempsey.

Don't say "it is hot today." It is only rubbing it in and besides any fool knows that for himself. z

There is a job for everybody but everybody does not seem to fit the job. Too many of us are looking for the pie before we finish our dinner.

That unemployment bugaboo which Wm. B. Wilson sprung on us seems to have passed out of being with the closing up of the Federal employment bureaus.

The Hun has until 6:49 on the afternoon of Monday, June 23d, to say yes or no on the peace treaty. Monday's issue of The Progress will carry great news.

It is just possible and quite probable that there is a political slant to the editorial misinformation of the editor of the Madera Times. There usually is when one so studiously and laboriously enlarges on an anthill just previous to a political campaign. A little political pap often befores the editorial atmosphere.

• THEY WILL SIGN

It is easier for the members of the German National Assembly to go on record in favor of signing the Allied peace terms than for the Hun peace delegates to do the act. The members of the assembly are both obscure and secure. They will play little part in the recording of history while the delegates must attach their signatures to a document which will go down in history as a surrender of might to the principles of right. There is nothing glorious about service on the German peace commission. For all times their names will be associated with those of the whipped Kaiser and his underlings. It is small wonder that the peace delegates will try to squirm out of putting their names to such a document. Ultimately, however, they will sign. When the hour of death or life approaches we expect that the German leaders behind them will force them to fall into line.

LET US GIVE THEM A GOOD TIME

The proposed Fourth of July celebration in honor of returned service men to be held at the Clearfield Driving park calls for the hearty co-operation of every citizen of this community, particularly of this Selective Service district known as District No. 1. The committee on arrangements in the selection of C. T. Kurtz as chairman of the Finance committee have made a wise decision and the success of this, the money end of the celebration is thereby assured. Every returned service man in Clearfield is to be invited to attend and the entertainment to be provided will and should be delayed by those who have been privileged to stay at home and invest in bonds instead of paying in blood. The Finance Committee will solicit funds for the successful furtherance of the proposed plans and there should be a generous and general response from every place where they make an appeal. It is proposed that contributions be solicited not only in Clearfield but also in those localities adjacent to Clearfield from where the boys came to entrain for the camps. Let us all pull together, boost this celebration night and day from this on and have our purpose when the committee pulls the door bell or presents their card at the office door.

The Proper Administration

of an estate is no easy task. If put on the shoulders of an individual it demands an amount of time and care that few men can willingly spare. Then, should anything happen to the individual before the estate is settled, confusion and delay, with accompanying loss will frequently result. Our Trust Department, with its added strength of a National Bank and with fees set by law is the proper answer for proper administration.

STOCK OPENING THRU

New York, June 19.—The stock market opened firm. United States Steel opened at 107 1/8 up 3/8. Crucible at 92 up 5/8. Bethlehem B at 88 1/2 up 1/2 and General Motors at 227 3/4 up 1 1/8.

OBSERVES CROPS

J. A. Breth, of Clearfield, who is touring the far west reports Illinois and Iowa corn looking fine but Nebraska corn in a rusty condition. The heavy rains have retarded the growth and will result in a late crop.

PHILIPSBURG ELKS WILL ENTERTAIN

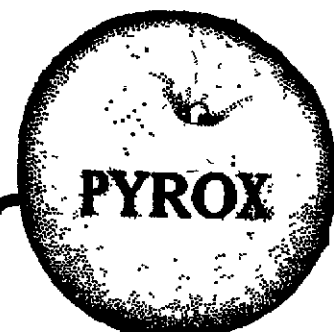

Philipsburg Lodge of Elks is arranging for a clam bake and banquet to be held in the social quarters Friday evening next. A large number of Clearfield Elks will attend.

WEST SIDE CHOIR ATTENTION

There will be a rehearsal at the church tonight at 7:30 sharp.

Mrs. Robert Lee Morrell, of New York City, who has been chosen vice president of the American Automobile Association, has other claims to distinction as well. She was the first woman to receive the degree of doctor of laws from New York University, and is reputed also to be the first woman ever entrusted with the exacting duties that devolve upon a referee in bankruptcy.

Napoleon had a large diamond set in the hilt of the sword he wore at his wedding with the famous Josephine, for he believed that the gem would bring him good fortune.

"Pays for Itself
Over and Over"

Mr. A. M. Lochbaum, of Orrtanna, Pa., writes: "I used Pyrox for apples—spraying about the time the apples were formed and before the cups closed. It is so easily prepared and so pleasant to apply and so effective that it is a fine thing to use. Pyrox pays for itself over and over."

Such is the verdict of every fruit grower who has used Pyrox. It brings large, luscious fruit where only a wormy, worthless crop grew before.

Ask us for the new Pyrox booklet, and use Pyrox on every fruit tree you have. Pyrox also kills potato bugs and blight. Sticks like paint.

We can supply any quantity you want, in small drums, kegs or barrels.

Wm. F. Powell

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes all skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

BIGLER TWP. AND GOOD ROAD PROBLEM

(Continued from Page One)

Clearfield county at a cost to the county of \$88,570. This road was located and the money expended, as follows:

DuBois borough	\$ 2600
Sandy township	22,045

Total	\$26,245
-------	----------

Clearfield borough	\$6,780
Lawrence township	16,520

Total	\$23,300
-------	----------

Curwensville borough	\$8,182
Pike township	1,350

Total	\$9,541
-------	---------

Cooper township	\$7,864
Decatur township	\$16,140
Bigler township	\$5,200

Total	\$29,204
-------	----------

Thus it will be seen that almost two-thirds of the amount spent in improved roads since 1905 was spent in Clearfield and Lawrence, DuBois and Sandy townships. Almost every foot of this improved road was on the trunk line or through route which the state desires built first. The same is true of the road built at Curwensville and Pike township, also the stretch through Decatur township. The State is now building all of this through route without county or township assistance.

Then, too, for each dollar of county money expended in Clearfield and DuBois and the other districts named on this road improvement the local district made a similar contribution and if some of the other townships had been as progressive we would have more miles of improved road in the county, even in Bigler township.

Now that gets us down to where Editor Witmer tells about Bigler township people paying their taxes. They do, like the other good American citizens elsewhere in Clearfield county, but when he says in effect; that Bigler township is entitled to additional improved road before any other road is built, we are not sure of that, in fact we are very much of the opinion he is very much mistaken. Let us look at that tax proposition.

Bigler township's total valuation for tax purposes for 1918 was approximately \$500,000. The county collects a 5 1/2 mill tax on that valuation for county purposes, and receives therefrom, for easy calculation, \$2,750 per year. DuBois borough has a valuation of \$3,125,000 and will pay into the county treasury this year \$17,187; while Clearfield with a valuation of \$3,067,000 will provide county funds to the amount of \$15,868. The same ratio of tax payments has been maintained each year since 1905, when State road making started, so one can readily determine whether Clearfield or DuBois would have had more than their share of state road even though "ninety per cent of the roads" had been built in those sections, which the facts show is far from being the case.

Then, again, old Brady township, with a valuation for county purposes of \$625,000 and a yearly payment into the county treasury of \$347.50, hasn't one foot of improved road, but she don't set up a roar about it, but digs down and improves her own roads, which are the very best in the county.

Sandy township pays \$5,500 per year into the county treasury on her valuation of \$1,000,000. Morris contributes \$2912 yearly and hasn't a foot of state road and none in sight. Cooper hands up \$3,850 without a bumper. Huston, another township without an inch of state road, pays \$390.5 yearly. Lawrence township with a valuation of \$909,888 pays \$5,000 yearly into the county treasury.

According to the contracts already let for road building in Pennsylvania this year the one mile out of Marlinton already agreed upon to be built by the County Commissioners will cost approximately \$40,000 and with the present valuation and tax rate it will take Bigler township taxpayers almost twenty years to pay that sum back into the county treasury.

Now we are heartily in favor of Bigler township having this road, in fact are on record to that effect but we do feel that Editor Witmer should waken up to the situation, face the facts and refrain in future from making himself so ridiculous. Bigler township certainly has no "kick coming."

The jaw of the shark furnishes the best watchmaker's oil. In each shark is found about half a pint.

MOTOR CARS "Built of the Best"

Not in outward appearance alone does the DAVIS proclaim itself a thoroughbred.

From the getaway when you must depend upon "things hidden" the DAVIS justifies your confidence, for beneath the long, handsome graceful streamline body are units of proven dependability, a ruggedness of construction that make for that durability for which the DAVIS is known.

Units of proven dependability such as the celebrated Continental Motor; Delco Starting, Lighting and Ignition System; T. W. Warner Transmission; Fedders Radiator; Stromberg Carburetor; Goodrich and Firestone Tires; Firestone Rims, etc.

A demonstration will convince you that it is a well-balanced car, roomy, comfortable, easy riding, in short, a car of such pleasing "presence" that you will be delighted to own it.

Ask for demonstration!

ATTENTION TO EARTH ROADS

Authority on Highway Construction Likes Concrete, but Favors More Care of Lanes.

"More attention has got to be paid to the earth roads if the coming bond elections are to go over." This is the opinion of E. L. Stevens, inventor and road expert. Mr. Stevens is, perhaps, one of the most unique characters in the road-building world. A graduate civil engineer, he felt the tremendous need for the perfection and development of the road system of America. He stepped out from the promising channels of the regular engineering profession and went down almost below the level of ordinary men to study road building. Says Rocky Mountain News: He has made road building and maintenance his life work and is now, probably, as well qualified as any man

Sand-Clay Road Well Cared For.

to tell the methods for the proper up-building of the nation's highway system.

For a number of years Mr. Stevens has been highway commissioner for the Estes Park highway. This piece of road work in itself is a testimony to his ideals. He is also the inventor of the Stevens improved road drag, one of the simplest and most efficient road machines on the American market.

Mr. Stevens believes in concrete highways and prepared boulevards, but he also believes that the earth road, which comprises more than 80 per cent of the country's highways, is of no less importance. "A concrete highway isn't going to do a farmer much good if he has got to haul his load three miles through hub-deep mud before he gets to it," is Mr. Stevens' attitude.

The farmer is the man who is going to pay for most of the country roads, and although concrete roads are needed where the traffic is sufficiently heavy the earth roads that feed the concrete road must be kept up. As an inventor of road machinery, a road engineer, a road supervisor and a road worker for his practicalities and the life dream of better roads as his idealism, Mr. Stevens is ably qualified to judge highway problems.

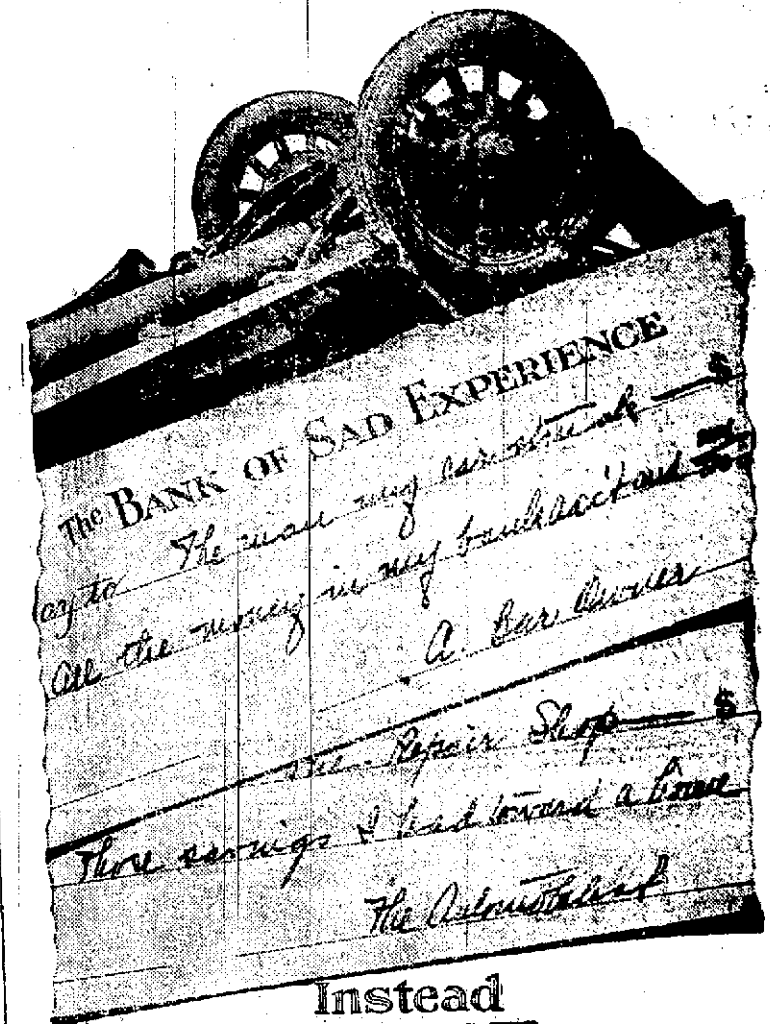

Quit Meat When Kidneys Bother

Take a glass of Salts if your back hurts or bladder troubles you

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding,

stop eating meat and get about four ounces of Jad Salts from any pharmacist, take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes, and lemon juice, combined with lithia and has been used for generations to flush and stimulate the kidneys also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

UTAH TO SPEND \$8,000,000

Part of Money Is to Be Spent for Improvements on Arrowhead Trail to California.

The state of Utah has decided to spend about \$8,000,000 on roads in the next two years, with an expenditure this year of about \$2,000,000. Some of the Utah millions, which are made up of state and federal funds, are going to be used on the development of the Arrowhead trail, which is tributary to all parts of southern California, from San Diego and Imperial valley on the south to Fresno and San Luis Obispo on the north.

Columbia University in Charge of Exhibit at North East Centenary

PROFESSOR LA MONT A. WARNER of Columbia University is director of fine arts and designer of exhibits and scenery for the Methodist Centenary Celebration in Columbus, O., June 29 to July 13. On plans which he laid down, the multitude of exhibits, domestic and foreign, have been arranged in the buildings in scenic effects, making them as appropriate and effective. Professor Warner had charge of world exhibits held in Boston, Chicago, Baltimore and Providence in past years and has studied and worked abroad.

"CAN I BE CURED?" SAYS THE SUFFERER

How often have you heard that sad cry from the victims of disease. Perhaps the disorder has gone too far for help, but often it is just in its first stages and the pains and aches are only nature's first cries for help. Do not despair. Find out the cause and give nature all the help you can and she will repay you with health. Look after the kidneys. The kidneys are the most overworked organs of the human body, and when they fail in their work of filtering and throwing off the poison that constantly accumulates in the system, everything goes wrong. GOLD MEDAL Haarlem Oil Capsules will give almost immediate relief from kidney and bladder troubles and their kindred ailments. They will free your body from pain in short order. But be sure to get GOLD MEDAL. Look for the name on every box. In three sizes, sealed packages. Money refunded if they do not help you.

NEWS OF OUR NEIGHBORS

ANOTHER CARNIVAL AT CURWENSVILLE COMING WEEK

The Keystone band boys have secured for the whole of next week the carnival known as the United Amusement company, which comes to our town with a reputation for cleanliness, the company carrying under their canvas no rough-necks or gamblers with their devices. The show is a clean one in every respect and their amusements are entertaining and pleasant to witness. Every evening during the week there will be a high diving stunt pulled off, inside the tents, which will be a free sight for all who care to go to the grounds to witness it. This part of the show is not a gramme, but is given as a free feature of the carnival. Curwensville people should patronize this entertainment freely and help the band.

As there seems to be some contention among those on Eastview in regard to the purchase of a flag which was raised some weeks ago we have been requested to have the honors of money printed. The flag was purchased from Leitzinger Bros., Clearfield, and cost \$20.00 and was a new one instead of a second hand one as some people allege. The sum of \$23.25 was raised and the balance of this sum deducting the cost of the flag, is still in the hands of the committee who had the purchase of the flag in hand. Everyone on the list paid in the amount he or she subscribed, except three persons. The list is too long to be printed here but is in the hands of the writer who will be glad to show it and who believes that there is no reason for the contention.

A ball game played between Boardman and the club recently organized here, Tuesday afternoon was a victory for Curwensville by a score of 22 to 0. The game was ultimately a one sided affair and was devoid of any particular interest to those who were on the grounds and who sat in the boiling hot sun until the finish. While Curwensville people always like to see the home team win out, the playing on the Boardman side was not of such a character as to win any plaudits from those present. The Boardman pitcher was a good one, and had he received the support he should have had, the game might have proven a little more interesting to the spectators.

Nearly 200 Curwensville people took advantage of the special train yesterday morning and went to DuBois to spend the day. Every automobile that would run at all was pressed into service loaded to the guards with people who did not want to miss any of the sights and scenes transpiring in the young city on the other side of the ridge.

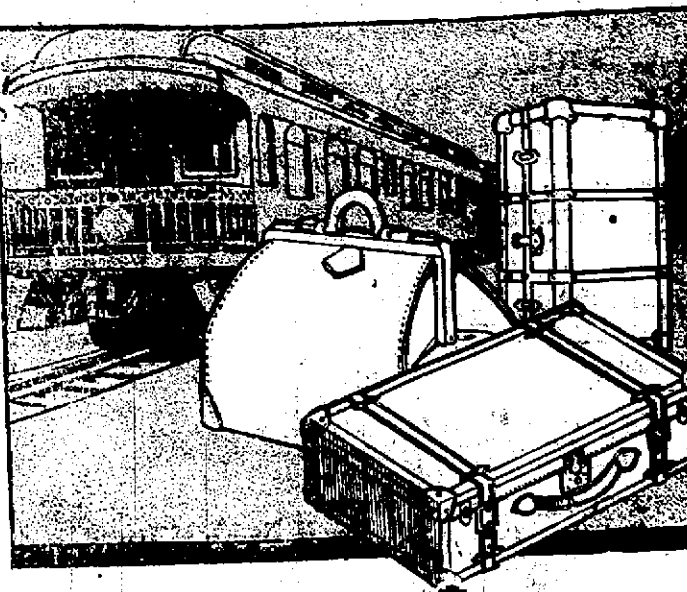

Rev. Hawkins is again able to be up and around the house again, using a cane as a locomotive power to assist him in his walking. He has had a pretty hard siege for some weeks but is now on a road to recover his usual health and strength.

During the present month a number of real estate transfers are looked to take place in Curwensville, dwelling houses being the principal buildings passing into new hands.

Mrs. G. W. West and two daughters, of Homestead, are visiting at the home of Mrs. Rebecca Maxwell on North Thompson street. Mrs. West prior to her marriage was Miss Mary Maxwell.

LEITZINGER BROS.

Hugh Way, son of Lawrence Way, week, is able to resume work at the mine he has been in active service over mines again.

We inadvertently neglected to mention the burning of the saw mill, located on the O. L. Norris farm and operated by O. C. Norris, which occurred last Monday. The cause of the fire was not learned by The Progress man. The building and machinery was a total loss to the owner or owners of the mill and occurred at a time when the cut of logs was almost completed.

Rev. Max Lantz and family of Mt. Union spent yesterday part of today with friends in town. Rev. Lantz being one of the three ministers who assisted in the funeral services of Nolan Bloom.

It was reported last evening that Mrs. Alfred Bilger, of Clearfield, had held her Curwensville dwelling house cars at the hard clay mines last on Market street.

Gossip for Tonight's Tea Table

Mr. and Mrs. A. G. Bartholomew
spent Sunday with Mr. Bartholomew's
mother in Grove City. Mr. Bartholomew
returned home yesterday but
Mrs. Bartholomew expects to stay two
weeks.

Harold Morton spent yesterday in
DuBois.

Miss Leona Quick of Giletown has
returned home after visiting at the
home of M. J. Bowes on Nichol street.
Miss Ada Kline spent yesterday in
DuBois.

Ralph Baker left yesterday for Cum-
berland, Md., where he will take up
his summer work.

Frank Gaylor, of Jeannette, cham-
pion tennis player of Western Penn-
sylvania, was here visiting relatives
Mr. and Mrs. E. W. Brown.

William Townsend and Max Rich-
ards, of Philipsburg, were guests of
William Aggar yesterday.

Miss Margaret Escott and Miss
Mable Nelson motored from Houtz-
dale yesterday and spent the after-
noon at the home of Miss Margaret
Giamas.

Mrs. N. Nurick, of Toronto, is vis-
iting at the home of her daughter,
Mrs. A. Mirkin.

Lincoln Kelley returned to his home
on Turnpike avenue after having been
over seas eleven months.

Miss Anna Connelly left yesterday
for Ridgway, where she expects to
visit a few weeks.

Frederick Betts and Harold Bowes
have accepted positions with the Ful-
ler Brush Co. Their territory will be
in the vicinity of Clearfield.

Mrs. G. A. Stewart and family have
returned from a visit to Winburne.

J. A. Dutra of Ladose, was a Clear-
field visitor today.

Miss Eleanor Usher, of Cherry-
street, is spending several days with
her aunt in Philadelphia.

John E. Herdman, who holds a re-
sponsible position at Canonsburg, Pa.,
is home for the purpose of under-
going a slight operation at the Clear-
field hospital. Mr. Herdman had
been urged by many of his friends
throughout the county to become a
candidate for County Commissioner
but on account of his previous engage-
ments he finds he will be unable to
do so at this time.

Miss Alice Knapp, of Curwensville,
who was operated upon at the Clear-
field hospital last Saturday, is recov-
ering very nicely.

Mrs. C. J. Turner, Miss Annie Dow-
man, Miss Kathryn Tribbley, Mr. Gay
and Carl Turner and Cecil McCul-
lough motored over to DuBois and at-
tended the big celebration held for
the returned soldiers yesterday.
They spent the afternoon and even-
ing with Mr. and Mrs. William Ask-
ey and family.

Mrs. J. C. Collins left this morning
to attend the commencement at Dick-
inson College where her daughter,
Ruth, is a member of the Class of
1919. En route Mrs. Collins will visit
at Bellwood, Newton Hamilton and
Newport.

M. E. Murphy, Medical student at
Temple University, Philadelphia, re-
turned last evening for his summer
vacation. He was accompanied by
his niece, Mrs. Marshall Law, of
Washington, D. C. Mrs. Law before
her marriage was Miss Margaret
Fleming, daughter of Carl Fleming,
formerly of Clearfield. She is vis-
iting her grandmother Mrs. Rebecca
Cactara of Pine street.

Robert Hunter, of New Millport,
has been spending a few days with his
niece, Miss Ada Baker at her home
on Turnpike avenue.

Mr. and Mrs. Harry Zimmerman,
Howard Hoover and Mr. and Mrs.
John Gaylor returned Tuesday night
Mr. Zimmerman's car from Olean, N. Y.
where they visited with Mr. Zim-
merman's brother Clyde.

LOYAL GREEK RETURNS

Constantinos Tascoulios, who went
from Clearfield to Camp Taylor, Ken-
tucky, and was assigned to the Sixth
Six Division of the Regular Army
and saw active service overseas, was
in town today, having recently been
mustered out of the service. He used
to run the shoe shine parlor and hat
cleaning establishment on Third St.,

EYES OF WORLD TURN TO WEIMAR

GERMAN PEACE DELEGATES AND ASSEMBLY MEMBERS AT ODDS OVER PROPER COURSE

NATIONAL ASSEMBLY FOR SIGNING WHILE PEACE DELEGATES OPPOSE MUCH MODIFIED CONDITIONS

U. S. FORCES READY TO MARCH IN

(By United Press)

PARIS, June 19—Every member of the German peace delegation including the experts have refused to participate in the signing of the treaty the Wimer correspondent of the Temps wired today. The delegates, he said, had submitted a report to the German government declaring that the terms are not possible of execution. Acceptance would place the nation in a position quite as bad as if they rejected the treaty.

By ED. L. KEEN

(United Press Staff Correspondent)

PARIS, June 19—The eyes of the world are fixed on the little town of Weimar today where one of the most momentous decisions in history is in the making.

With the Allies' army and the British navy ready to move simultaneously should Germany refuse to sign the peace treaty the German cabinet and National Assembly were gathered in Weimar discussing whether it should be peace or war.

The decision will be rendered by 7 p. m. Monday "the zero hour" fixed by the Allies when they submitted their reply to the German counter proposals in Versailles.

The British navy according to unofficial advices has joined Foch's forces in readiness for a resumption of hostilities if that is the German decision.

Foch was understood to be at his headquarters in Luxembourg from which central point he could direct the forward sweep of his army into Germany along the entire front from Holland to Switzerland. His force of over a million men on this front in the event of war will be augmented by the Poles and Czechoslovaks who will advance on Germany from the east and south.

Dispatches from Weimar and Berlin indicate a division among the Germans over acceptance of the new terms. The peace delegates are said to be unanimously against the treaty. The National Assembly believes it should be signed. The press also advises signing.

Delegates Resolve to Reject Says Paper

BASLE, June 19—The Weimar correspondent of the Frankfurt Zeitung declared the German peace delegates had unanimously resolved to reject the revised peace treaty and had submitted a report to this effect to the German cabinet.

A dispatch direct from Weimar said that Chancellor Schiedemann conferred with the peace committee of the National Assembly yesterday and expressed regret that the Allies had rejected the proposal for a neutral port of arbitration. He said: "They are determined to overwhelm Germany with the consequences of the Allied crimes. The Assembly and government faces the most difficult task but we must not forget that the nation is on the eve of very hard times."

Ebert May Shirk Responsibility

BERLIN, June 19—A local newspaper declared today that a plan is being completed by Premier Ebert and his cabinet to resign and the National Assembly to dissolve "leaving Germany to absolute anarchy."

Yanks Ready to Invade Germany

COBLENZ, June 18, Delayed—Final preparations were being completed today for the American army to move further into Germany Tuesday morning if so ordered by the French. Some German units are scattered throughout this region immediately in front of the Americans but it is believed they are too weak to offer real resistance. Steps are also being taken against possible guerilla warfare by civilians.

Destroyers Watch German Ports

COPENHAGEN, June 19—Twelve British cruisers and a number of destroyers arrived in the Baltic today and others are expected shortly in preparation for the establishment of a blockade of the German ports if the peace terms are refused. Several of the destroyers started upon a secret mission this afternoon. The British dirigible R 34 was over the Baltic today moving toward Hassetic.

SENATE STANDS PAT ON DRY LAW WILSON HOPE OF LIQUOR DEALERS

The Senate yesterday voted against repealing the wartime prohibition act and as a result the nation will become "bone dry" at midnight on June 30.

The vote of the Senate against the repeal of the dry measure was 55 to 11, and was taken when Senator Phelan tried to attach the repealer to the agricultural appropriation bill as a rider.

The vote was taken on a motion by Senator Gronna to lay on the table a motion by Senator Phelan to suspend the rules of the Senate so he could offer the repealer as an amendment to the agricultural bill.

Still Have Hope

Preparations for the sale after July 1 of not only light wines and beer but of all liquors are being made by several Philadelphia hotels and cafes, according to statements given out yesterday afternoon. Reliance is placed upon President Wilson and the labor element to bring about some eleventh hour change in the situation which threatens their business. Stocks of liquor are being maintained at their former level and all things, it is said, indicate that July 1 will be just like any other day in the year.

PENNSYLVANIA SENATE PASSES SUFFRAGE BILL

(By United Press)

HARRISBURG, June 19—The State of Pennsylvania today passed finally the federal suffrage amendment by a vote of 29 to 9.

HOUSE VOTES TO RETURN WIRES

(By United Press)

WASHINGTON, June 19—The House today passed unanimously the bill returning the telephone and telegraph lines to their owners.

A. F. OF L. FAVORS RESTRICTED IMMIGRATION

By A. E. JOHNSON

ATLANTIC CITY, N. J., June 19—The American Federation of Labor convention went on record today as favoring restricted immigration from Europe for a period of three years.

Big Troop Shipment Arrives

(By United Press)

NEW YORK, June 19—Six transports arrived today with more than 20,000 officers and men. The transports are the South Bend, New Amsterdam, Kaiserin, Augusta, Victoria, Prince Frederick William, Great Northern and the Tanamas.

DOUBLE WEDDING AT SINGTON

Mr. Willard Shimel and Miss Agnes Knepp and Mr. Martin Flegel and Miss Junie Lamadue were the principals in a double wedding solemnized at high noon on June 18th, by the pastor of the Woodland United Brethren church, at the home of Mr. and Mrs. Williams, of Sington, Mrs. Williams is a sister of the bride Miss Lamadue.

Only a few of the immediate friends were present. A bounteous dinner was served, in which the appointments were all correct.

The ring ceremony was used and was very impressive as together these worthy young people pledged their troth. They have not yet stated their future plans.

CLEARFIELD LADS OFF FOR COLUMBUS

Dick Leopold, Duane Neff, Blain James, Lawrence Howe and George Fletcher left yesterday for Columbus, Ohio, to join the Cadet Corps which will be a feature of the Methodist Centenary celebration to be held during the next 30 days at Columbus. The corps will be comprised of 10,000 Methodist boys from all parts of the United States and will be regulated, trained and disciplined by officers of the United States Army.

BIG FIVE AT WORK ON AUSTRIAN PROBLEMS

PARIS, June 19—The Big Five were scheduled to take up the question of Austrian finance and reparation today. The council also discussed the situation in Corinthia where the Jugo-slavs are in close proximity with the Italian army. Possibilities of a clash between Italians and the Jugo-slavs was feared.

GEN WOOD ORATOR AT U. OF P.

Philadelphia, June 19—Major General Leonard Wood today delivered the annual oration at the 106th commencement exercises at the University of Pennsylvania. The conferring of honorary degrees on 28 undergraduates was the feature of the exercises.

SOME FEE

Pittsburgh, June 19—Fees allowed for the sale of 7300 acres of the coal land of J. V. Thompson for \$3,633,732 were approved with the exception of a \$10,000 item in an opinion handed down today by Judge Thompson in United States District Court here. Referee J. E. Carroll received the customary 1 per cent or \$36,337.32.

GROUP MEETINGS OF MINING MEN BEGIN MONDAY

The six mining groups of the Central Pennsylvania Coal Producers' association will hold separate meetings starting next Monday in Altoona, at the Caum cafe, Lincoln room. Able speakers have been secured to take part. Discussions of the problems facing the mining interests will be a feature of the meetings.

Meetings are to follow in Johnstown, DuBois, Clearfield, Huntingdon and Philipsburg. The schedule and place of meeting follows:

Barnesboro group at Altoona, Monday June 23, at 1 p. m. in Caum's, Lincoln room.

South Fork and Conemaugh groups at Johnstown Tuesday, June 24, at 2 p. m. in the Fort Stanwix hotel.

Punkstutawney group at DuBois, Wednesday, June 25 at 1:30 p. m. in the Logan House.

Clearfield group at Clearfield Thursday, June 26, at 1:30 p. m. in the Hotel Dimeling.

Broad Top group at Huntingdon, Friday, June 27, at 1 p. m. in the Leister House.

Tyrone group at Philipsburg Monday, June 30, at 12 o'clock in the Chamber of Commerce room.

CLEARFIELD "Y" WINS MILE RELAY RACE

The Clearfield Y. M. C. A. Relay Team won the cup, medals and 1st place at DuBois. The Physical Director took five of the best "Y" runners in his car to DuBois to run a mile relay race against the following associations: DuBois, Ridgway, Punkstutawney and Brookville. They won first place, each man running a quarter of a mile. They made it in 4 minutes and 15 seconds. They won a big cup and four valuable scarf pins. The cup and pins are on display in Kennard & Snyder's Jewelry store window.

The following boys ran in the races: J. Smith, H. Mohney, H. Schull and W. Kittleberger, with Ted Stewart along as a sub.

The boys and girls who are in the flag drill for the 4th of July will practice tonight on the Y. M. C. A. playground.

The Association has erected a tent for the boys and one for the girls to use for dressing at the Old swimming hole.

The local moving pictures will be shown next week in the Driggs theatre.

ACTIVE AT WESLEYAN UNIVERSITY

Clearfield was represented at the closing exercises of Wesleyan University yesterday by Miss Caroline Hartman, daughter of Rev. W. V. Hartman and A. B. Mackie, son of Mrs. Wm. Clark.

Miss Hartman was very active throughout her college course having been president of the Ohio Literary Society, a member of the Choral Club and soloist at the class exercises.

Mr. Mackie is one of Wesleyan's star foot ball players and is mentioned for scholarship honors. The publicity reporter describes him as one of the best known and popular men in the student body thru his services as president of various college organizations and adds that he has accepted a scholarship for graduate work in history.

HOSPITAL APPROPRIATION INCREASED

The appropriation to the Clearfield hospital for the coming two years was increased to \$23,000 in the bill passed finally by the Senate at Harrisburg yesterday.

NEW DRAYING FIRM

The newly formed draying firm of Holmes & Melleny have already installed a handsome new G. M. C. truck which they purchased through the Orant & Buchanan agency.

BIGLER TOWNSHIP AND GOOD ROAD PROBLEM

A REPLY TO INCORRECT STATEMENT MADE IN NEWSPAPER PUBLISHED IN METROPOLIS OF TOWNSHIP

PROGRESS BACKED THEIR CLAIM

It is not often we are compelled to call the attention of our brother editors to misstatements of facts in their editorial references to what they feel their individual communities are justly entitled to but when we find a fellow shooting so wide of the mark as our friend Editor Witmer of the Madera Times, does in the last issue of his paper, we are naturally forced to forego our usual modesty and remark that the editorial gentleman simply does not know what he is talking about. Then in justification of "the remark" we are going to present some of the facts which Brother Witmer does not have at hand or if he did have them at hand or in mind, either mislaid or forgot them.

In order that our readers, who may not have seen The Times article, may get a line on the controversy we reproduce herewith extracts from same which certainly fail to square with the facts in the road situation as it applies to Bigler township and Bigler township taxpayers.

In his article headed "Further Regarding Improvement of Roads" The Times says:

"The Clearfield Progress says:—'The last piece of state aid paving done in Clearfield borough in which the county of Clearfield participated by paying one-fourth of the cost, was away back in 1909. The Madera Times is having the State and County do some paving for us now, but we are unable to find just where the same is located.'

The Progress is such a splendid paper and such a credit to Clearfield town that it makes it hard for a paper like The Times, buried in the Southern end of Clearfield County without any means to get out on, to mess up with the use of the pronoun 'us' The Progress acknowledges that it is strictly partisan and interested only in Clearfield borough on this improved road question.

Now we know The Progress is fair-minded and will not blame The Times for being interested in Bigler township and the Southern end of Clearfield county.

We may have been in error in stating that the work being done in the neighborhood of Clearfield was within the borough limits as we are unable to get around enough to know where Clearfield borough ends and Lawrence township begins but we do know that Clearfield borough made application for state aid work and that these applications on file with the State Highway department are No. 720, No. 721, No. 722 and No. 724 and that the Lawrence township application is No. 720, so that if either or both of these applications have been acted upon and road is being built in the neighborhood of Clearfield, then Application No. 35 for Bigler township would be next in line.

We are aware that of the amount of improved road built in Clearfield county, about 90 per cent of it is around Clearfield and DuBois, and therefore, first because, back in 1917, we duly made and renewed our application account to the system of the State Highway department, and second, because we, in this end of the county, are entitled to additional improvement before any other road is built.

We in the Southern end of the county are paying our taxes and contributing our support at the polls, but what seems to be the only thing we are going for, and we are going to see whether we can't have the satisfaction, or at least have the satisfaction of registering a protest."

Now for the facts as to "The Progress" acknowledges that it is strictly partisan and interested only in Clearfield borough on this improved road question. It is a matter of record and common knowledge, and even known to the editor of The Times, that on account of the policy of the Highway department there are but \$36,000 in state aid funds available for road building in Clearfield county each year, and that following a recom-

mensation of the Clearfield County Good Roads Association the County Commissioners have agreed to construct at the expense of the County and township, if any township money be available some three miles of road on the route leading from Osceola to Madera, two miles of this leading from Osceola to Houtzdale and one mile from Madera to outzdale. The State's \$36,000 will also be applied on this improvement.

The motion requesting the Commissioners to take such action was made at the meeting of the Good Roads Association on February 7th, 1918, as the following taken from the report of that meeting, published in The Progress February 8th, will show:

"Messrs R. H. Thompson, of Osceola; A. H. Rumberger, of Houtzdale; and Charles G. Gill, of Madera, presented the claims of the eastern site of the county for an improved road from Osceola to Madera, and stated that the local associations in that section contemplated sending a delegation to Harrisburg on Tuesday next to advocate the project. The necessity for the road was explained in detail by Mr. Rumberger and on motion of Mr. Gommely (the writer) of Clearfield the Executive Committee unanimously approved of the recommendation and directed that an application for same be properly made out and presented to the County Commissioners for their approval, and that the President of the County Association or some member he may designate, together with one of the County Commissioners, be sent to Harrisburg on Tuesday with the local delegates to urge on behalf of the Association that the application be granted and that engineers be sent at once to survey and map the route for same, with a view to having a contract let and work of improvement begun just as soon as it is possible to do so. The application was prepared and signed by the County Commissioners and the road work is already well underway."

That should serve to show how partisan we are and how selfishly interested in Clearfield alone.

Regarding Application 723 and 724 referred to, we will but say that while these applications were made to the State the County Commissioners refused to join in obligating the county for any share of the cost because of lack of funds and further that Clearfield borough refused to accept state aid under these applications because the bids were too high and the borough has money available for the work and will make the improvement itself alone the coming summer.

Application No. 735 for Bigler township, filed in 1917, has been nullified by the change in policy of the present State Highway Department, which is building the through or trunk line routes itself and will not join with the county and township on any other road, except as to the county's share of the \$1,500,000 appropriated for the State-aid work by the Legislature, which amounts to approximately \$35,000 per year for Clearfield county.

The Highway department will not accept in any way the construction of any roads but those on direct routes between the county seats, even where this \$36,000 per year applies.

The next paragraph, reciting that "90 per cent of the State road in the county is around Clearfield and DuBois," is the biggest joke of all, and again most clearly demonstrates that Bro. Witmer knows absolutely nothing at all about the road situation in the county and that his weekly "wails" emanate entirely from his entire lack of knowledge regarding same.

Since the present road law went into effect in 1905 there has been 22 1-2 miles of road improved in

(Continued on Page Three)

How are you betting? Willard or Dempsey.

Don't say "it is hot today." It is only rubbing it in and besides any fool knows that for himself. z

There is a job for everybody but everybody does not seem to fit the job. Too many of us are looking for the pie before we finish our dinner.

That unemployment bugaboo which Wm. B. Wilson sprung on us seems to have passed out of being with the closing up of the Federal employment bureaus.

The Hun has until 6:49 on the afternoon of Monday, June 23d, to say yes or no on the peace treaty. Monday's issue of The Progress will carry great news.

It is just possible and quite probable that there is a political slant to the editorial misinformation of the editor of the Madera Times. There usually is when one so studiously and laboriously enlarges on an anthill just previous to a political campaign. A little political pap often befores the editorial atmosphere.

• THEY WILL SIGN

It is easier for the members of the German National Assembly to go on record in favor of signing the Allied peace terms than for the Hun peace delegates to do the act. The members of the assembly are both obscure and secure. They will play little part in the recording of history while the delegates must attach their signatures to a document which will go down in history as a surrender of might to the principles of right. There is nothing glorious about service on the German peace commission. For all times their names will be associated with those of the whipped Kaiser and his underlings. It is small wonder that the peace delegates will try to squirm out of putting their names to such a document. Ultimately, however, they will sign. When the hour of death or life approaches we expect that the German leaders behind them will force them to fall into line.

LET US GIVE THEM A GOOD TIME

The proposed Fourth of July celebration in honor of returned service men to be held at the Clearfield Driving park calls for the hearty co-operation of every citizen of this community, particularly of this Selective Service district known as District No. 1. The committee on arrangements in the selection of C. T. Kurtz as chairman of the Finance committee have made a wise decision and the success of this, the money end of the celebration is thereby assured. Every returned service man in Clearfield is to be invited to attend and the entertainment to be provided will and should be delayed by those who have been privileged to stay at home and invest in bonds instead of paying in blood. The Finance Committee will solicit funds for the successful furtherance of the proposed plans and there should be a generous and general response from every place where they make an appeal. It is proposed that contributions be solicited not only in Clearfield but also in those localities adjacent to Clearfield from where the boys came to entrain for the camps. Let us all pull together, boost this celebration night and day from this on and have our purpose when the committee pulls the door bell or presents their card at the office door.

The Proper Administration

of an estate is no easy task. If put on the shoulders of an individual it demands an amount of time and care that few men can willingly spare. Then, should anything happen to the individual before the estate is settled confusion and delay, with accompanying loss will frequently result. Our Trust Department, with its added strength of a National Bank and with fees set by law is the proper answer for proper administration.

REPAIRING HUMPHREY BRIDGE

Contractor H. L. Connelly began work yesterday repairing the bridge across the Susquehanna at Humphrey's above Curwensville. A creosote-block floor will be laid, the bridge tightened up and painted and otherwise repaired.

STOCK OPENING THIRN

New York, June 19.—The stock market opened firm. United States Steel opened at 107 1/8 up 3/8. Crucible at 92 up 5/8. Bethlehem B at 88 1/2 up 1/2 and General Motors at 227 3/4 up 1 1/8.

OBSERVES CROPS

J. A. Breth, of Clearfield, who is touring the far west reports Illinois and Iowa corn looking fine but Nebraska corn in a rusty condition. The heavy rains have retarded the growth and will result in a late crop.

PHILIPSBURG ELKS WILL ENTERTAIN

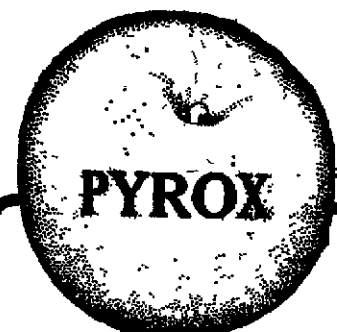

Philipsburg Lodge of Elks is arranging for a clam bake and banquet to be held in the social quarters Friday evening next. A large number of Clearfield Elks will attend.

WEST SIDE CHOIR ATTENTION

There will be a rehearsal at the church tonight at 7:30 sharp.

Mrs. Robert Lee Morrell, of New York City, who has been chosen vice president of the American Automobile Association, has other claims to distinction as well. She was the first woman to receive the degree of doctor of laws from New York University, and is reputed also to be the first woman ever entrusted with the exacting duties that devolve upon a referee in bankruptcy.

Napoleon had a large diamond set in the hilt of the sword he wore at his wedding with the famous Josephine, for he believed that the gem would bring him good fortune.

"Pays for Itself
Over and Over"

Mr. A. M. Lochbaum, of Orrtanna, Pa., writes: "I used Pyrox for apples—spraying about the time the apples were formed and before the cups closed. It is so easily prepared and so pleasant to apply and so effective that it is a fine thing to use. Pyrox pays for itself over and over."

Such is the verdict of every fruit grower who has used Pyrox. It brings large, luscious fruit where only a wormy, worthless crop grew before.

Ask us for the new Pyrox booklet, and use Pyrox on every fruit tree you have. Pyrox also kills potato bugs and blight. Sticks like paint.

We can supply any quantity you want, in small drums, kegs or barrels.

Wm. F. Powell

For Itching Torture

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes all skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

BIGLER TWP. AND GOOD ROAD PROBLEM

(Continued from Page One)

Clearfield county at a cost to the county of \$88,570. This road was located and the money expended, as follows:

DuBois borough	\$ 2600
Sandy township	24,045

Total	\$26,245
-------	----------

Clearfield borough	\$6,780
Lawrence township	16,520

Total	\$23,300
-------	----------

Curwensville borough	\$8,182
Pike township	1,350

Total	\$9,541
-------	---------

Cooper township	\$7,864
Decatur township	\$16,140
Bigler township	\$5,200

Thus it will be seen that almost two-thirds of the amount spent in improved roads since 1905 was spent in Clearfield and Lawrence, DuBois and Sandy townships. Almost every foot of this improved road was on the trunk line or through route which the state desires built first. The same is true of the road built at Curwensville and Pike township, also the stretch through Decatur township. The State is now building all of this through route without county or township assistance.

Then, too, for each dollar of county money expended in Clearfield and DuBois and the other districts named on this road improvement the local district made a similar contribution and if some of the other townships had been as progressive we would have more miles of improved road in the county, even in Bigler township.

Now that gets us down to where Editor Witmer tells about Bigler township people paying their taxes. They do, like the other good American citizens elsewhere in Clearfield county, but when he says in effect; that Bigler township is entitled to additional improved road before any other road is built, we are not sure of that, in fact we are very much of the opinion he is very much mistaken. Let us look at that tax proposition.

Bigler township's total valuation for tax purposes for 1918 was approximately \$500,000. The county collects a 5 1/2 mill tax on that valuation for county purposes, and receives therefrom, for easy calculation, \$2,750 per year. DuBois borough has a valuation of \$3,125,000 and will pay into the county treasury this year \$17,187; while Clearfield with a valuation of \$3,067,000 will provide county funds to the amount of \$15,868. The same ratio of tax payments has been maintained each year since 1905, when State road making started, so one can readily determine whether Clearfield or DuBois would have had more than their share of state road even though "ninety per cent of the roads" had been built in those sections, which the facts show is far from being the case.

Then, again, old Brady township, with a valuation for county purposes of \$625,000 and a yearly payment into the county treasury of \$347.50, hasn't one foot of improved road, but she don't set up a roar about it, but digs down and improves her own roads, which are the very best in the county.

Sandy township pays \$5,500 per year into the county treasury on her valuation of \$1,000,000. Morris contributes \$2912 yearly and hasn't a foot of state road and none in sight. Cooper hands up \$3,850 without a hump. Huston, another township without an inch of state road, pays \$390.5 yearly. Lawrence township with a valuation of \$909,888 pays \$5,000 yearly into the county treasury.

According to the contracts already let for road building in Pennsylvania this year the one mile out of Marlana already agreed upon to be built by the County Commissioners will cost approximately \$40,000 and with the present valuation and tax rate it will take Bigler township taxpayers almost twenty years to pay that sum back into the county treasury.

Now we are heartily in favor of Bigler township having this road, in fact are on record to that effect but we do feel that Editor Witmer should waken up to the situation, face the facts and refrain in future from making himself so ridiculous. Bigler township certainly has no "back combs."

The jaw of the shark furnishes the best watchmaker's oil. In each shark is found about half a pint.

MOTOR CARS "Built of the Best"

Not in outward appearance alone does the DAVIS proclaim itself a thoroughbred.

From the getaway when you must depend upon "things hidden" the DAVIS justifies your confidence, for beneath the long, handsome graceful streamline body are units of proven dependability, a ruggedness of construction that make for that durability for which the DAVIS is known.

Units of proven dependability such as the celebrated Continental Motor; Delco Starting, Lighting and Ignition System; T. W. Warner Transmission; Fedders Radiator; Stromberg Carburetor; Goodrich and Firestone Tires; Firestone Rims, etc.

A demonstration will convince you that it is a well-balanced car, roomy, comfortable, easy riding, in short, a car of such pleasing "presence" that you will be delighted to own it.

Ask for demonstration!

ATTENTION TO EARTH ROADS

Authority on Highway Construction Likes Concrete, but Favors More Care of Lanes.

"More attention has got to be paid to the earth roads if the coming bond elections are to go over." This is the opinion of E. L. Stevens, inventor and road expert. Mr. Stevens is, perhaps, one of the most unique characters in the road-building world. A graduate civil engineer, he felt the tremendous need for the perfection and development of the road system of America. He stepped out from the promising channels of the regular engineering profession and went down almost below the level of ordinary men to study road building. Says Rocky Mountain News: He has made road building and maintenance his life work and is now, probably, as well qualified as any man

Sand-Clay Road Well Cared For.

to tell the methods for the proper up-building of the nation's highway system.

For a number of years Mr. Stevens has been highway commissioner for the Estes Park highway. This piece of road work in itself is a testimony to his ideals. He is also the inventor of the Stevens improved road drag, one of the simplest and most efficient road machines on the American market.

Mr. Stevens believes in concrete highways and prepared boulevards, but he also believes that the earth road, which comprises more than 80 per cent of the country's highways, is of no less importance. "A concrete highway isn't going to do a farmer much good if he has got to haul his load three miles through hub-deep mud before he gets to it," is Mr. Stevens' attitude.

The farmer is the man who is going to pay for most of the country roads, and although concrete roads are needed where the traffic is sufficiently heavy the earth roads that feed the concrete road must be kept up.

As an inventor of road machinery, a road engineer, a road supervisor and a road worker for his practicalities and the life dream of better roads as his idealism, Mr. Stevens is ably qualified to judge highway problems.

UTAH TO SPEND \$8,000,000

Part of Money Is to Be Spent for Improvements on Arrowhead Trail to California.

The state of Utah has decided to spend about \$8,000,000 on roads in the next two years, with an expenditure this year of about \$2,000,000. Some of the Utah millions, which are made up of state and federal funds, are going to be used on the development of the Arrowhead trail, which is tributary to all parts of southern California, from San Diego and Imperial valley on the south to Fresno and San Luis Obispo on the north.

Columbia Exposition in Charge of Exhibit at North East Centenary

PROFESSOR LA MONT A. WARNER of Columbia university is director of fine arts and designer of exhibits and scenery for the Methodist Centenary Celebration, in Columbus, O., June 29 to July 13. On plans which he laid down, the multitude of exhibits, domestic and foreign, have been arranged in the buildings in scenic effects, making them as aptly appropriate and effective. Professor Warner had charge of world exhibits held in Boston, Chicago, Baltimore and Providence in past years and has studied and worked abroad.

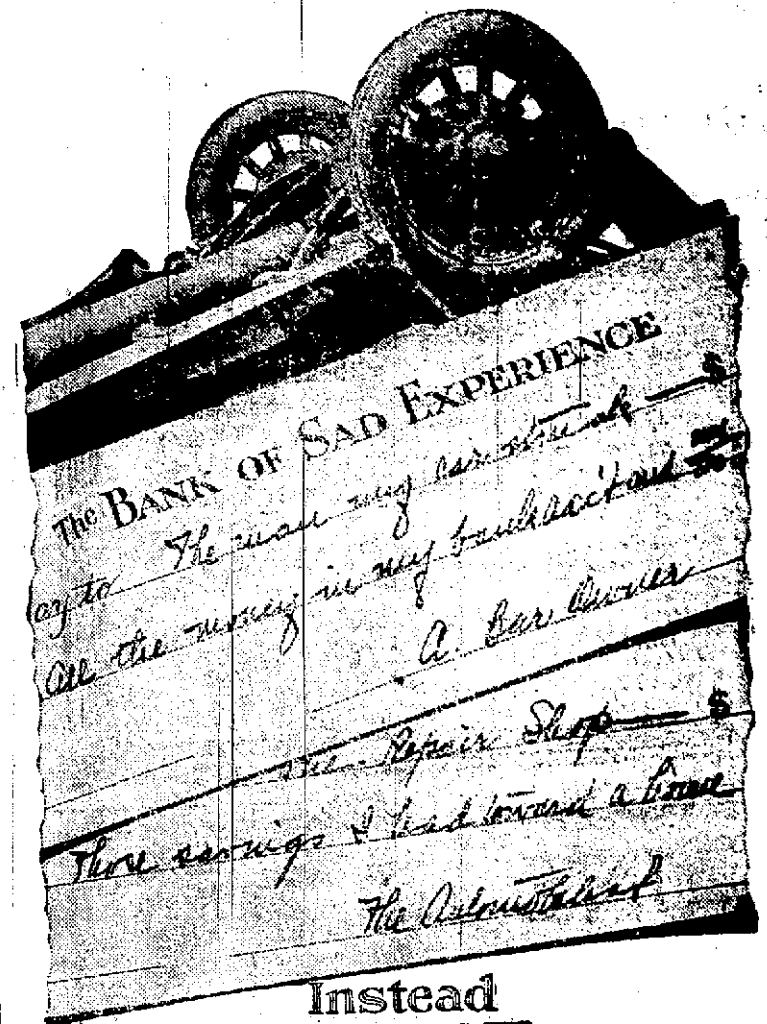

Quit Meat When Kidneys Bother

Take a glass of Salts if your back hurts or bladder troubles you

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding,

PENNSYLVANIA RAILROAD

stop eating meat and get about four ounces of Jad Salts from any pharmacist, take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes, and lemon juice, combined with lithia and has been used for generations to flush and stimulate the kidneys also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

"CAN I BE CURED?" SAYS THE SUFFERER

How often have you heard that sad cry from the victims of disease. Perhaps the disorder has gone too far for help, but often it is just in its first stages and the pains and aches are only nature's first cries for help. Do not despair. Find out the cause and give nature all the help you can and she will repay you with health. Look after the kidneys. The kidneys are the most overworked organs of the human body, and when they fail in their work of filtering and throwing off the poison that constantly accumulates in the system, everything goes wrong. GOLD MEDAL Haarlem Oil Capsules will give almost immediate relief from kidney and bladder troubles and their kindred ailments. They will free your body from pain in short order. But be sure to get GOLD MEDAL. Look for the name on every box. In three sizes, sealed packages. Money refunded if they do not help you.

NEWS OF OUR NEIGHBORS

ANOTHER CARNIVAL AT CURWENSVILLE COMING WEEK

The Keystone band boys have secured for the whole of next week the carnival known as the United Amusement company, which comes to our town with a reputation for cleanliness, the company carrying under their canvas no rough-necks or gamblers with their devices. The show is a clean one in every respect and their amusements are entertaining and pleasant to witness. Every evening during the week there will be a high diving stunt pulled off, inside the tents, which will be a free sight for all who care to go to the grounds to witness it. This part of the show is not a program, but is given as a free feature of the carnival. Curwensville people should patronize this entertainment freely and help the band.

As there seems to be some contention among those on Eastview in regard to the purchase of a flag which was raised some weeks ago we have been requested to have the honors of money printed. The flag was purchased from Leitzinger Bros., Clearfield, and cost \$20.00 and was a new one instead of a second hand one as some people allege. The sum of \$23.25 was raised and the balance of this sum deducting the cost of the flag, is still in the hands of the committee who had the purchase of the flag in hand. Everyone on the list paid in the amount he or she subscribed, except three persons. The list is too long to be printed here but is in the hands of the writer who will be glad to show it and who believes that there is no reason for the contention.

A ball game played between Boardman and the club recently organized here, Tuesday afternoon was a victory for Curwensville by a score of 22 to 0. The game was ultimately a one sided affair and was devoid of any particular interest to those who were on the grounds and who sat in the boiling hot sun until the finish. While Curwensville people always like to see the home team win out, the playing on the Boardman side was not of such a character as to win any plaudits from those present. The Boardman pitcher was a good one, and had he received the support he should have had, the game might have proven a little more interesting to the spectators.

Nearly 200 Curwensville people took advantage of the special train yesterday morning and went to DuBois to spend the day. Every automobile that would run at all was pressed into service loaded to the guards with people who did not want to miss any of the sights and scenes transpiring in the young city on the other side of the ridge.

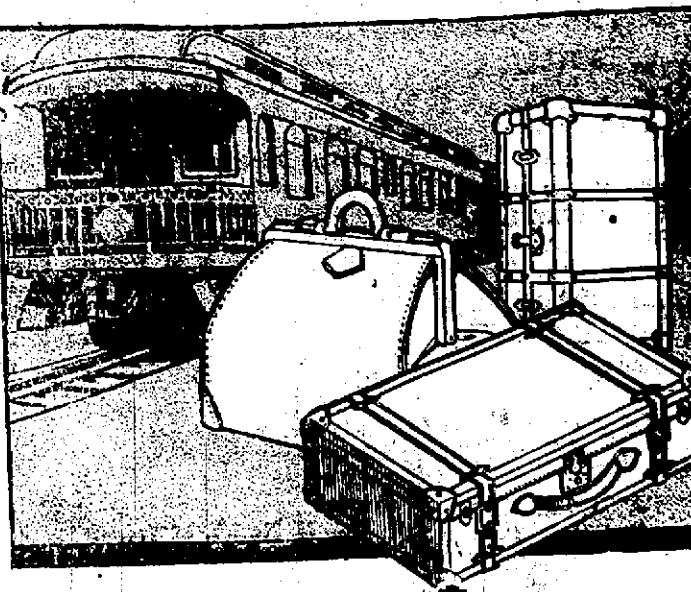

Rev. Hawkins is again able to be up and around the house again, using a cane as a locomotive power to assist him in his walking. He has had a pretty hard siege for some weeks but is now on a road to recover his usual health and strength.

During the present month a number of real estate transfers are looked to take place in Curwensville, dwelling houses being the principal buildings passing into new hands.

Mrs. G. W. West and two daughters, of Homestead, are visiting at the home of Mrs. Rebecca Maxwell on North Thompson street. Mrs. West prior to her marriage was Miss Mary Maxwell.

LEITZINGER BROS.

Hugh Way, son of Lawrence Way, week, is able to resume work at the mine he has been in active service over mines again.

We inadvertently neglected to mention the burning of the saw mill, located on the O. L. Norris farm and operated by O. C. Norris, which occurred last Monday. The cause of the fire was not learned by The Progress man. The building and machinery was a total loss to the owner or owners of the mill and occurred at a time when the cut of logs was almost completed.

Rev. Max Lantz and family of Mt. Union spent yesterday part of today with friends in town. Rev. Lantz being one of the three ministers who assisted in the funeral services of Nolan Bloom.

It was reported last evening that Mrs. Alfred Bilger, of Clearfield, had held her Curwensville dwelling house cars at the hard clay mines last on Market street.

DuBois.

Miss Leona Quick of Gilestown has
returned home after visiting at the
home of M. J. Bowes on Nichol street.
Miss Ada Kline spent yesterday in
DuBois.

Ralph Baker left yesterday for Cum-
berland, Md., where he will take up
his summer work.

Frank Gaylor, of Jeannette, cham-
pion tennis player of Western Penn-
sylvania, was here visiting relatives
Mr. and Mrs. E. W. Brown.

William Townsend and Max Rich-
ards, of Philipsburg, were guests of
William Aggar yesterday.

Miss Margaret Escott and Miss
Mable Nelson motored from Houtz-
dale yesterday and spent the after-
noon at the home of Miss Margaret
Giamas.

Mrs. N. Nurick, of Toronto, is vis-
iting at the home of her daughter,
Mrs. A. Mirkin.

Lincoln Kelley returned to his home
on Turnpike avenue after having been
over seas eleven months.

Miss Anna Connelly left yesterday
for Ridgway, where she expects to
visit a few weeks.

Frederick Betts and Harold Bowes
have accepted positions with the Ful-
ler Brush Co. Their territory will be
in the vicinity of Clearfield.

Mrs. G. A. Stewart and family have
returned from a visit to Winburne.

J. A. Dutra of Ladose, was a Clear-
field visitor today.

Miss Eleanor Usher, of Cherry-
street, is spending several days with
her aunt in Philadelphia.

John E. Herdman, who holds a re-
sponsible position at Canonsburg, Pa.,
is home for the purpose of under-
going a slight operation at the Clear-
field hospital. Mr. Herdman had
been urged by many of his friends
throughout the county to become a
candidate for County Commissioner
but on account of his previous engage-
ments he finds he will be unable to
do so at this time.

Miss Alice Knapp, of Curwensville,
who was operated upon at the Clear-
field hospital last Saturday, is recov-
ering very nicely.

Mrs. C. J. Turner, Miss Annie Dow-
man, Miss Kathryn Tribbley, Mr. Gay
and Carl Turner and Cecil McCul-
lough motored over to DuBois and at-
tended the big celebration held for
the returned soldiers yesterday.
They spent the afternoon and even-
ing with Mr. and Mrs. William Ask-
ey and family.

Mrs. J. C. Collins left this morning
to attend the commencement at Dick-
son College where her daughter,
Ruth, is a member of the Class of
1919. En route Mrs. Collins will visit
at Bellwood, Newton Hamilton and
Newport.

M. E. Murphy, Medical student at
Temple University, Philadelphia, re-
turned last evening for his summer
vacation. He was accompanied by
his niece, Mrs. Marshall Law, of
Washington, D. C. Mrs. Law before
her marriage was Miss Margaret
Fleming, daughter of Carl Fleming,
formerly of Clearfield. She is vis-
iting her grandmother Mrs. Rebecca
Cactara of Pine street.

Robert Hunter, of New Millport,
has been spending a few days with his
niece, Miss Ada Baker at her home
on Turnpike avenue.

Mr. and Mrs. Harry Zimmerman,
Howard Hoovun and Mr. and Mrs.
John Gaylor returned Tuesday night
Mr. Zimmerman's car from Olean, N. Y.
where they visited with Mr. Zim-
merman's brother Clyde.

LOYAL GREEK RETURNS

Constantinos Tascoulios, who went
from Clearfield to Camp Taylor, Ken-
tucky, and was assigned to the Sixth
Six Division of the Regular Army
and saw active service overseas, was
in town today, having recently been
mustered out of the service. He used
to run the shoe shine parlor and hat
cleaning establishment on Third St.,
but will locate at Niagara Falls.

June Sale of White Ends Saturday

Memories of this interesting economy event will be held dear in the heart of many a woman long after its close for it is especially timely, strong in value-giving and helpful in the broadness of its merchandise. The collection of Undermuslins, Linens, Bedcoverings, etc., is well worth seeing. But we know that the attractive low June Sale prices will convince you of the wisdom to come to-morrow.
